The applications should be accompanied by a Memorandum stating how far the work is original, or in the case of a translation, the original source and indicating the special claims of the work for the prize.

The manuscripts should be written legibly and only on one side of the paper well-bound. Manuscripts, once considered, will not be accepted a second time.

3. The competition is open to all in the case of Kannada works, but shall be confined to authors or editors in the Mysore State in the case of Sanskrit works.

4. The awards shall be made on the judgment of a Committee appointed by the Director of Public Instruction.

5. There will ordinarily be two prizes, one of Rs. 500 and the other of Rs. 200 to be awarded to the two best works. But the Director of Public Instruction may, according to the special circumstances of each year withdraw or suitably modify, the value of either one or both of the prizes in the absence of works coming up to the mark.

6. The award may be in the shape of an absolute grant to the author in the case of a printed book and in the case of manuscripts, contribution towards the printing of the work, subject to the author guaranteeing its publication within a year.

7. In every case, the decision of the Director of Public Instruction shall be final.

8. Copies of books submitted in response to this advertisement will not be returned, but manuscripts so submitted will be returned to the applicants only after June 1935.
